

New Build System for Cross Laminated Timber Render

System Performance

u - values 0.26 - 0.10

y - values 0.05 - 0.02

The system complies with the most stringent of standards - from baseline building regulations through to Passivhaus. The system is available in an extensive number of render options including, colour, texture and weathering resistance. All components for the system are available from NBT.

Cross-section of system

1. NBT 2-coat render system
2. NBT DIFFUTHERM 60mm
3. NBT PAVATHERM 80/100/120/140mm or more
4. CROSS LAMINATED TIMBER STRUCTURE

How NBT systems compare to standard build
